

# Opportunity Scholarship Fund

All who are associated with St. Paul's Lutheran Church and School please take a few minutes and go to the Opportunity Scholarship Fund website. They provide scholarships to low income students who attend participating private schools (St. Paul's is one of them). Oklahoma gives a very generous tax credit for these donations. Depending on the program you donate into, you may receive tax credits of 50% or 75% of your total donation. St. Paul's Lutheran School benefits by being able to offer these scholarships to children who otherwise may not be able to attend our school.

Please follow these simple steps:

1. Go to [osfkids.org](http://osfkids.org)
2. Click on the "Donate" tab at the top. (This will not obligate you to donate.)
3. There are then four questions to be answered. We suggest you choose the two year commitment, so that you can get the 75% tax credit.
4. Once the questions are answered, you will know how much out of pocket expense is involved with this donation, if you decide to proceed.

Testimonies from those who have participated reflect that the program worked just as they said it would. You make your donation anytime this year and receive your tax credit on April 15th next year. More importantly, you receive the satisfaction of knowing you helped a kid get a great Christian education! If you have friends or relatives, or even know someone who owns a business who may be interested, please forward this on to them.

Thank you for your time. Again, St. Paul's is a member as reflected on the Opportunity Scholarship Fund website. Our school participates and the school parents can become involved.
