

St. Paul's Congregation

In light of the on-going and growing concerns with Covid-19, coupled with the recent limitations put on organizations to meet in groups larger than 10, we have had to postpone our Council meeting for the month of March. This Board meeting was slated to plan and determine our budget for the coming fiscal year to present at the April Voter's meeting. As most of you know, this moratorium is slated to be in effect until April 13.

We will need to move the April Voter's meeting back one month to allow the Council ample time to meet and develop the budget. It is our hope that by April 13th we are able to return to some sort of normalcy, but that has yet to be determined. We certainly don't want to put anyone in harm's way or eliminate any participation by member's who feel uncomfortable in this environment.

As we continue to navigate through this, we will keep you posted on how and when we will proceed. If the moratorium is not lifted April 13, then we will reevaluate and inform you, as a congregation, on how we propose to proceed.

In the meantime, remember to practice social distancing and continue to disinfect and wash hands. If you need someone to run errands for you, or just don't want to get out, please contact the Church office and arrangements will be made for someone to give you aide. Continue to pray for our nation and its leaders, that they have the wisdom to guide us through this unfortunate outbreak.

Gods Blessings,
