

Dear Members of St. Paul's,

God's blessings to all! Due to the news of the Coronavirus, our lives have all changed in different ways. We've gotten and continue to get lots of practice washing our hands while humming "Happy Birthday To You" or "Mary Had A Little Lamb"☺ We've also mastered new forms of greeting each other such as with fist bumps or elbow shakes!

As they tell us, we will get through this. Currently Enid has no cases of the Coronavirus. However, we still need to take all the necessary precautions to slow the spread. For some of us with health-related issues and the blessing of being in the "Golden Age" bracket, we may need to take some extra precautions. This could mean limiting attendance in crowded functions. Should you decide to worship at home, please take advantage of our online church service and the Lutheran Hour. Keep everyone in your prayers for good health and take this opportunity to be the hands and feet of Jesus for any homebound that need additional assistance. If you are in need of help, please contact the church so we can do God's work.

For those that will be using the online worship service, please remember church business continues and our offerings keep God's house in running order. God will continue His work with or without our offerings, but tithing is an extension of worship and enables us to testify of His sovereignty and provision in His creation. If, at this time, you feel the need to worship online, and wish to give offerings, you can certainly mail checks to St. Paul's. For your convenience, any offerings can be picked up at your home by simply notifying the church office and requesting someone stop by.

Zephaniah 3:17 ~ The LORD your God is in your midst, a mighty one who will save; he will rejoice over you with gladness; he will quiet you by his love; he will exult over you with loud singing.

Blessings,

Renie Krienke  
Church Treasurer
